### Committee Updates

---

#### **Spirit Wear**

- Erica and Dave reported we will offer Under Armor brand this year!

#### **Corn Boil**

- Julie and Tracy are soliciting for volunteers using signupgenius.com. We still need more, but looks like we will be covered.
- They are asking for donations of 800-1000 ears of corn, chips, and drinks from businesses and well as families.
- Scott at Blue Goose is our contact for the corn.
- They will be offering pick-up of physical donations at the donor's homes, likely on August 7<sup>th</sup> and 13<sup>th</sup>
- They contacted the corn steamer. They are set and will deliver between 3:30-4:00 on the day of the event.
- Dave confirmed Mayor Burns' participation as well as the Color Guard for National Anthem.
- The idea to sell snacks in the stands, similar to hawkers at a baseball game, was well received.
- We need to get cost of items hawkers will be selling to Tracy.
- Dave asked that Julie and Tracy send a list of tables and chairs needed to Sherry Navigato. She will put in a work order.
- They will try to coordinate having a membership sign-up table at the event.
- The Corn Boil will open doors at 5:30, and should end by 9:00.
- There was much discussion on how to shorten the evening, or at least get people to stay until the end so the last names called still have an audience. Dave will take the ideas back to Tom Rogers to discuss.
