Treasurer's Report

Update on Transition: John Krohe is officially the new Treasurer. We thank Shelley for all her hard work!

Balance: \$31,000

Scholarship Payouts: Only one left to pay for Davison, and John will handle this week.

Board Remarks

Membership:

Member Update - 46 members, \$3,300

T-Shirt Design – Blue shirt, all white logo.

Decal Design – Black with color logo, ordering 500.

Volunteers: We all agreed that we need to have other teams help work football concessions and spirit wear sales. For each home football game, we will target specific teams that do not sell concessions at their own games or meets. We will give those coaches the dates we need their help, and each coach will pick a date. They (or the team parent) will be responsible for getting whatever the required number of volunteers is to sign up to work that game.

Committee Updates

Corn Boil:

Communication – GHS Connects out, tweet tomorrow, will work with Kristie P on 304Connects. Jennifer will tweet every other day a week to a week and a half before registration/schedule pick-up week.

Volunteers – We will use sign-up genius to ask for about 100 volunteers. We are not providing a t-shirt for each volunteer due to cost.

Food & Drink Donations – We will solicit for donations using sign-up genius as well. It was suggested we have a bin outside the main entrance, manned by HS students, for donors to drop off their drink donation during registration/schedule pick-up week.

Spirit Wear:

Order for 2017-2018 School Year – the order needs to be placed asap. We will offer both more expensive (UA) and less expensive options for as many items as we can. New items – track shorts and knit hats.

Concessions:

We will keep Jersey Mikes and Chick-fil-A. We are considering adding hamburgers and smoothies. We were considering adding pretzels, however, the cost of the pretzel warmer is too high (\$600).

Concession Stand Clean Up will take place on Saturday, July 29th at 9:00am. Anyone who can help, please show up!

Golf Outing: Target date is October 21st.

Restaurant Nights: Brenda has a long list of places to call to see what percentage they offer. She will target the higher offers, shooting for variety. Our plan is to have a restaurant night every other month.
