Treasurer's Report

The tablet we got from the school is not compatible with the Square credit card app. Erica has an iPad she no longer uses that she will donate. Thank you, Erica!

Board Remarks

Discussion of needing new board members, spirit wear, and concessions leads. Rich will send a description of the concessions lead, and Erica will send a description for spirit wear. Jennifer will get that on our website, and then we will start to get the word out.

Committee Updates

Spirit Wear: The remaining stock will be taken to Ace Hardware. When that's done, we'll get the word out via social media.

Concessions: We'd like signs made for the concessions stands that state the money made benefits the sports boosters / GHS Athletics.

Trivia Night: Net \$6,000! Accepting credit cards was a big plus.

Shamrock Shootout: Date is set for March 17th. Registration closes March 9th. Brackets will be done the week of and schedule communicated to participants. Jennifer will print brackets. signupgenius is done...we just need refs to sign up.

Athletic Director Report

Two wrestlers qualified for state! We will host boy's volleyball regionals and girl's soccer sectionals.
