Board Remarks

Board & Chair Openings for 2018-2019: Welcome Carolyn Clausen! Carolyn will be working with Erica during the next school year and we hope will take over once Erica leaves us. We have a few other people we have spoken with that may be interested. We are inviting them to the next meeting.

Committee Updates

Spirit Wear: All remaining spirit wear is at Ace Hardware. Jennifer will send a tweet to drive customers there. Erica will schedule a spirit wear meeting for June to pick out the selection for next year and get it ordered earlier than we did this year.

Concessions: The Vandever Track Invitational was cancelled due to weather, which is a loss. Thankfully, the school will buy the hot dogs from us. We donated the sandwiches to Lazarus House.

We have only four home games next year, and Rich would like to buy a new grill and a storage rack for the tanks.

Scholarships: We have only five applicants so far. The selection committee will meet late the week of April 23rd so we can get the winners to Lisa by May 1st. Jennifer will collect the applications and prepare them for the committee to review, numbering them and making sure there is no way to identify who they are. The process is anonymous.

Kane County Cougars Game: Kevin was unable to make the flyer, so Jennifer gave it a shot. The board made some corrections and changes and it will be in the next Online Backpack. Laura Sprague will help us promote it. Dave will send it the GBA and Feeder to ask them to send it out, too.
