Committee Updates

Spirit Wear: We purchased the remaining Boobah stock below their cost for \$1750. We will have a "Trunk Sale" the same days as the mattress sale, Nov 4th and 5th where we will sell tickets for \$50. One ticket will get you any ten items, including hoodies, t-shirts, long sleeve shirts and youth sizes. We will hold a sale for staff with anything we have left after the trunk sale.

Concessions: The new cooler arrived. After the last home football game, we will dispose of one of the grills and look at replacing next year. Riganatos will provide the hospitality food for volleyball sectionals. We need to clean out the booster's room move stuff over from the stadium. We plan to start that on Oct 28th. We will look into selling Island Oasis smoothies at the indoor stand this winter.

Golf Outing: Sat., October 21st is the date. We have two foursomes to date and need more. We reduced the price to be more in line with last year. It is now \$80/golfer or \$150/couple. Dave will have sent via 304Connects. Jennifer will tweet and send a mail chimp campaign. It is pinned to the top of our facebook and website pages.

Restaurant Nights: We are holding off on restaurant nights for now...
