We will ask the school for a tablet to use so we can pilot accepting credit cards, as well as a laptop for accounting.

Board Remarks

Membership: \$15,250 to date, compared to \$17,100 last year.

Committee Updates

Spirit Wear: We net \$2985 net from the Boombah trunk sale. We will do another sale during the during BBall Community Night tomorrow, maybe during PTC on Nov 20th, and during the Lion's Club breakfast on Dec 2nd, where there is also going to be a Fresh/Soph Wrestling meet.

Concessions: We don't have anything until 12/2. We started using the Cafeteria coffee machine, and that is going well. Currently charging \$1.00/cup, considering an upcharge for premium coffee drinks.

Big Games

01/26/18 Boy's & Girl's Basketball Double Header vs. Batavia

W/e made \$3,881.00 from soccer and volleyball concessions, with three fourths coming from volleyball.

Football brought in revenue of around \$40,000+

Some of the larger costs are for concessions overall maintenance (i.e. equipment repair, replace and maintenance).

Golf Outing: With a low turnout, we learned people aren't looking to golf a great course, but spend less, support the boosters, and have some fun. If we do this again next year, it would have to be at Mill Creek or Geneva Golf Club, who charge us far, far less.

Shamrock Shootout: March 24th. John, Jennifer and Rich will run it again and John will see if Feeder will sponsor again. We'd like to increase the number of teams, keeping the same number of courts, but running until 6:00pm. Last year we were done by 4:30pm.

Trivia Night: We chose February 24th.

Athletic Director Report

Fundraising: The mattress sale was a hit, and raised approximately \$7,000.

Winter Sports started. We have 21 for boy's bowling. Girl's bowling started tonight, so waiting to see the turnout there. We have about 35 Wrestlers, and 11 Freshmen who joined Gymnastics. Boy's and Girls's Basketball has started as well.

Super Sectional Volleyball – The Hospitality Room, provided by Nobel House was great!

1st Annual Basketball Community Night – Intro Varsity teams, Dance and Cheer will perform, as will the Pep Band, then intro the lower levels. Donations will be taken for Hear the Cheers as well as food bank donations. The varsity teams will compete in drills (no game), and then there will be a Chili dinner in the Cafeteria!

Dave secured a donation to finish off press box for baseball!
