Treasurer's Report

Balance: \$70,000.00. Determination and Tax Exempt Status letters are on the way from IL Dept. of Revenue

Board Remarks

Welcome Tom and Chris!

Committee Updates

Spirit Wear: Erica and Carolyn are meeting with Graphic Edge this week to get started on selection and order for 2018-2019. We plan to stick mostly with what we had last year and tweak the quantities (especially an increase for kid sizes) with maybe a few new options. We are going to use/promote a new business for letterman jackets, as they will give part of proceeds back to boosters. Erica is also working on bringing back Geneva Vikings flags.

Concessions: We donated pizzas for Post Prom again, and we will use any of the unused beverages Post Prom had left over. Rich is moving everything from the outside stands to the inside stand on Friday. Concessions will be finished next week. The dance team will be selling water again at graduation.

Kane County Cougars Game: Flyer has been in the online backpack for five weeks and sent to boosters members. We will need a 304 Connects to go out soon.

Athletic Director Report

Softball batting cage is going in. This was purchased with the mattress sale proceeds and funds from a private donor.

New Business
