Treasurers' Report

The treasurers reviewed the status of the account. Spirit will sales continue to be brisk. The concessions ordering and costs have been managed well as the new school year approaches.

Discussion ensued concerning the profit margin and overall approach to the committee's sales efforts as related to both concessions and Spirit wear sales. It was noted that the profit margin appears to be much better this year than last year, but the situation will continue to be monitored.

Some of the potential new purchases on the committee's list were discussed.

The contributions made in memory of John Burns were discussed by the committee. Suggestions for the use of the funds were then discussed. These included establishing the sports booster scholarship as the John Burns Sports Boosters Scholarship, as well as other ideas.

The committee agreed unanimously agreed on the renaming of the sports boosters scholarship.

COMMITTEE UPDATES

Spirit Wear

Spirit Wear sales continue to be brisk. Restocking will occur as needed to be ready for fall events.

Concessions

The volunteer manager of concessions for the football games reported difficulty ensuring that volunteers showed up for their shifts. A discussion ensued concerning how to better manage the volunteers, but no concrete decisions were made. Dave noted that the success of the team on the field is directly related to the interest of the volunteers to assist as well as to show up.

Mattress Sale

The mattress sale will take place on November 2-3, 2019. Committee members will be asked to assist as Dave has a personal commitment on Saturday. There are no sports on the schedule those days.
